

## SONY ILX-LR1 RGB Camera

The SONY ILX-LR1 camera, with its cutting-edge high-accuracy capabilities and expansive coverage, seamlessly integrates into Quantum Systems drones and allows direct camera control, while delivering exceptional image quality.

Í

The camera harnesses advanced sensor technology and processing power, resulting in a compact and lightweight solution that elevates project efficiency. Additionally, users have the flexibility to customize settings to suit any mission, reducing data load and streamlining workflows, while maintaining image quality. This makes it an ideal choice for commercial mapping missions.
